# Introduction

We start slowly ok

# Chapter 1

## 1.1 First Section of first chapter

### 1.1.1 Let's talk about A

I must quote Another-Name et al. (2005) because they did a great job.

### 1.1.2 And now B

...

## 1.2 But what about this

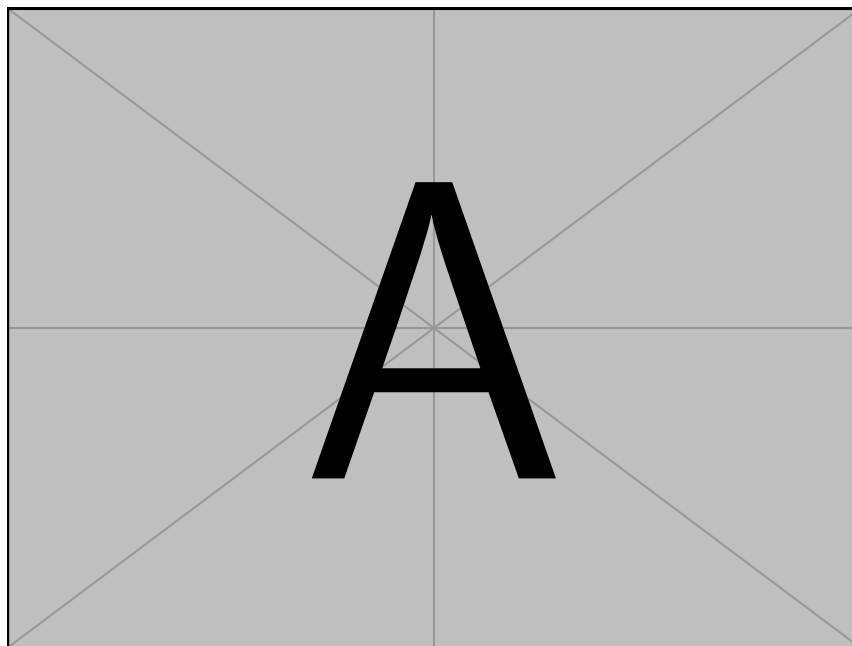

Figure 1.1: Image A.

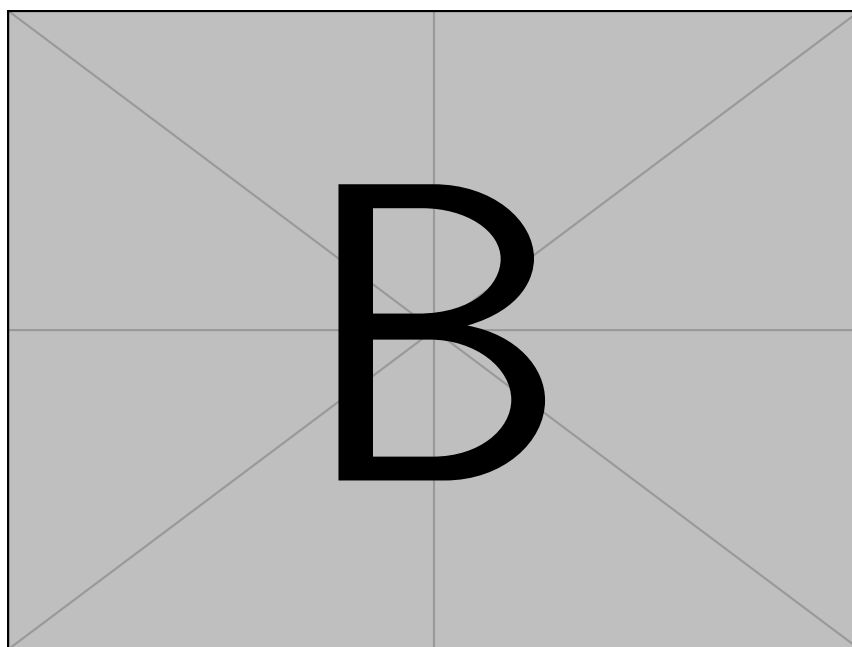

Figure 1.2: Image B.

# Chapter 2

2.1 This is a work in progress

2.1.1 Don't look at my notes

# Chapter3

## 3.1 Look at this Table

First col	Second col
wow	right

Table 3.1: Omg much data

# Conclusion

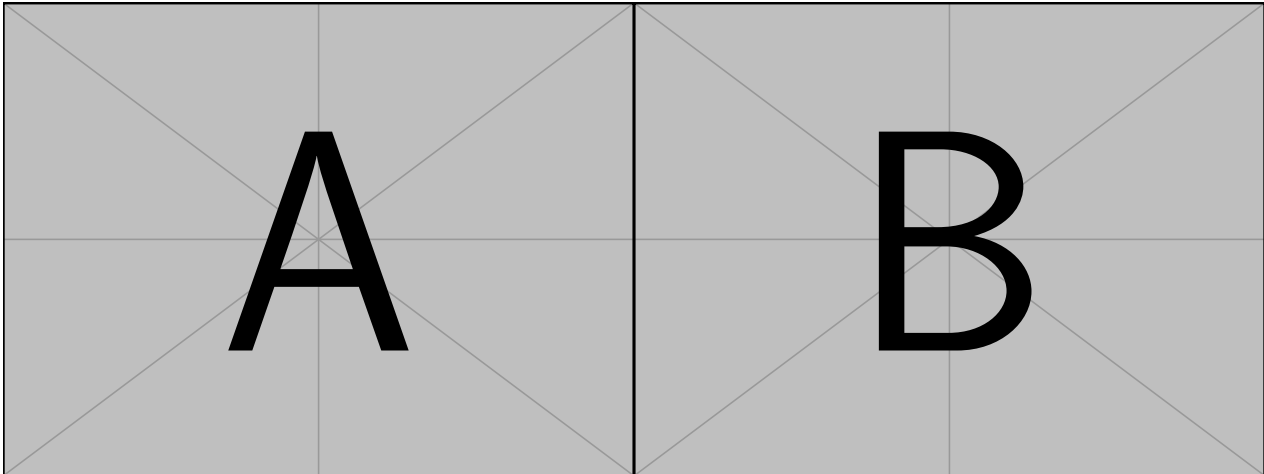

I finally got to the end, let's conclude

# References

Another-Name, I., J. Another-Name, K. Another-Name, and L. Another-Name (Oct. 2005). "Some really interesting article I didn't even write". In: *Nature*.

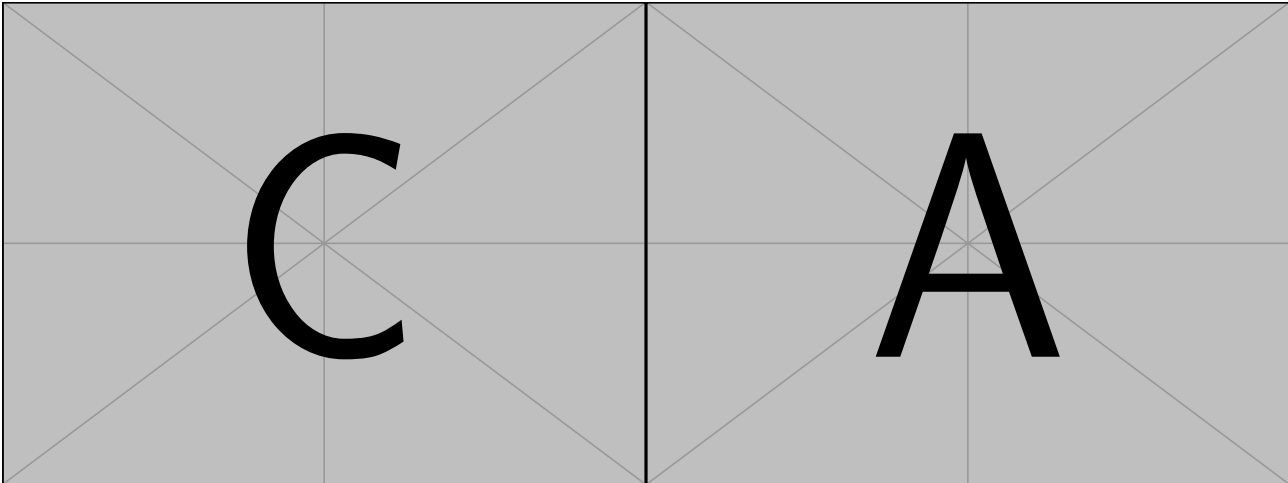

# Appendix

A figure with subfigures

(a) Caption for figure a

(b) Caption for figure b

(c) Caption for figure c

(d) Caption for figure a

Figure A.1: Caption for figures a, b, c, and a again

A table or figure sideways

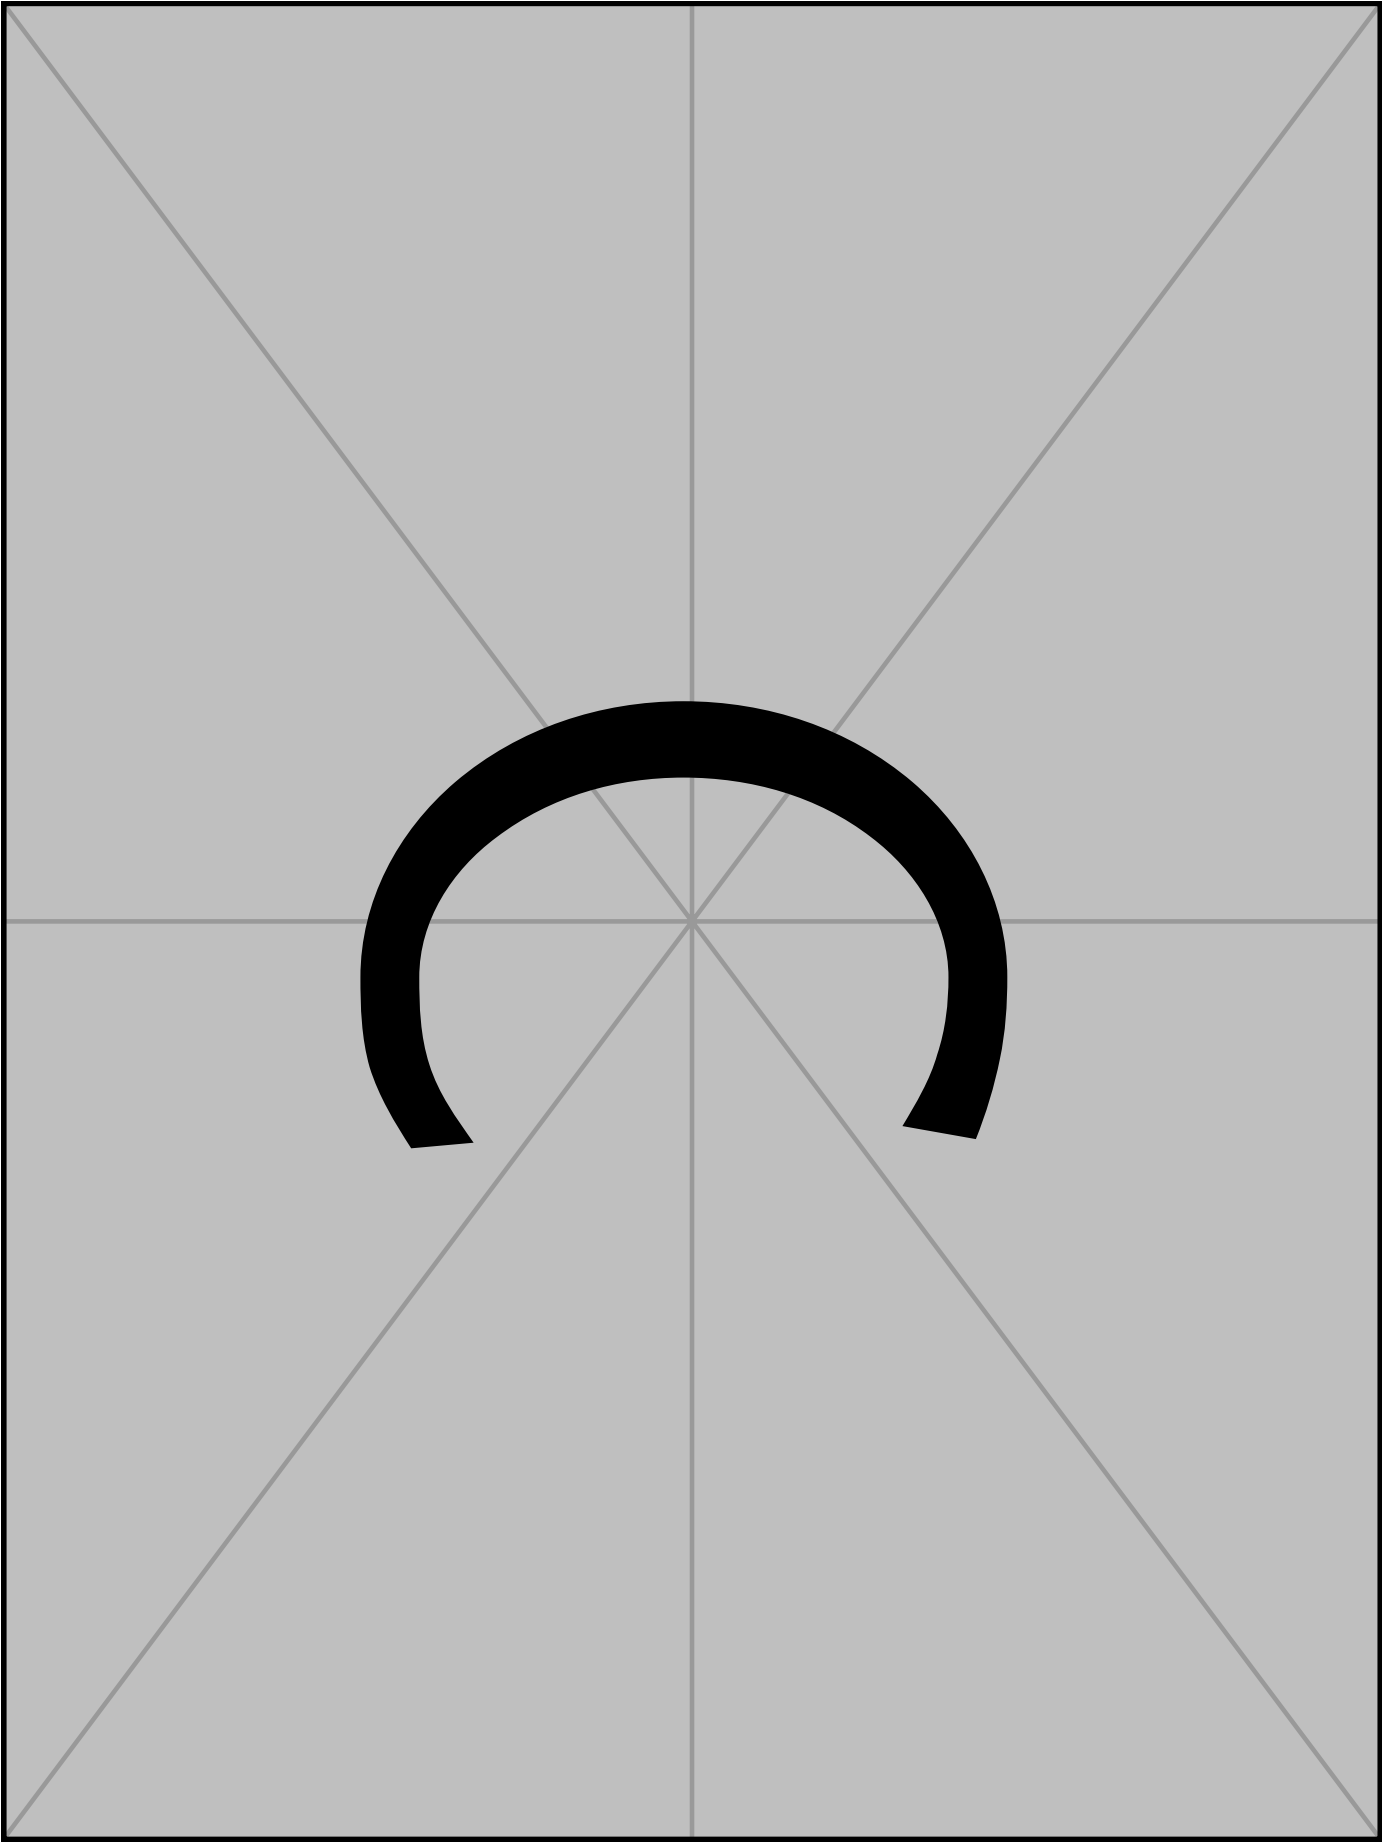

Table A.1: Exemple for a figure or table that is sideways with its caption below
